

# ***Belgium Community Center's*** ***YOUTH PRIVATE LESSONS***

The Belgium Community Center is proud to offer a variety of private and group lessons to all youth bowlers seeking to improve their bowling game. The BCC has a list of several experienced adult league bowlers who can provide private instructions by appointment. Begin your journey of improvement by having your individual delivery technique analyzed by getting feedback & tips. After practicing on your own for a few days, feel free to schedule another session or even try a different instructor if you choose.
